**GUIDELINES FOR PARENT'S OF PUPILS ENTERING
WICHITA SCHOOLS FOR THE FIRST TIME**

As your child enters the Wichita Public Schools, a cumulative student record will be started. Please help us help your child by providing the following:

1. Kansas Certification of Immunization (KCI) / Computerized Immunization Record (CIR)
This immunization record is REQUIRED BY LAW.
 - ∞ If your child has received immunizations or is in the process, ask your health care provider to complete a KCI / CIR.
 - ∞ Previous records of immunizations must be transferred to a KCI / CIR and include the date by month-day-year for each vaccine.
 - ∞ "Pink Books" are not acceptable for initial entry of immunizations.
 - ∞ Immunization requirements change from year to year. Find information on current requirements by visiting the Wichita Public School website.
2. Health Examination Report - Consult your health care provider to obtain a health examination, have them complete the examination report, and return this information to the School Nurse.
3. Dental Care Card - Visit your dentist regularly for good oral health and return the Dental Care Card annually.
4. If your child has any unusual health conditions or health history, please contact the School Nurse.

Please make sure your child's legal name appears on the heading of each form and return them at enrollment. If you wish further information or assistance, please contact your School Nurse.
