

Summaries of the 2007-08 Wichita Budget

Budgeted Funds Expenditures by Category

Total: \$516 million

How we spend our money

This chart shows how much of the district's budget is spent in different categories. The district's largest expenditure for all funds is salaries and benefits, which accounts for nearly 75 percent of all budgeted expenses. Some of those positions, like special education instructors, are paid for out of restricted funds, while regular education teachers are paid out of the General Fund.
